Delegation Series

Part 210 Special Redelegations

Chapter 1 Offshore Leasing and Operations

210.1.1

1. Purpose. This chapter redelegates Minerals Management Service (MMS) Offshore Program authorities to the Associate Director for Offshore Minerals Management (AD/OMM) and identifies specific authorities retained at the departmental or Director, MMS, level.
2. Scope. Delegations include mineral leasing and operation functions on the Outer Continental Shelf (OCS).
3. Objective. This chapter establishes the primary level of authority for activities and responsibilities of the MMS Offshore Program.
4. Authority.
 - A. Outer Continental Shelf Lands Act (OCSLA), as amended, 43 U.S.C. 1331 et seq.
 - B. National Environmental Policy Act, 42 U.S.C. 4321 et seq.
 - C. Departmental Manual (200 DM 1-3, General Provisions).
 - D. Departmental Manual (218 DM 2, 3, 4, and 6, Minerals Management Service Delegations).
5. Reference. Minerals Management Service Manual (MMSM 200.1, Redelegations).
6. Redelegation.
 - A. The authorities delegated to the Director in 218 DM 2-4 for managing and administering the Offshore Program are redelegated to the AD/OMM, unless the authorities are specifically retained by the Director or redelegated to another official.
 - B. See Offshore Program Delegations Handbook (MMSM 210.1-H) for those authorities redelegated by the AD/OMM.
 - C. If an authority is not specifically addressed in this chapter or in the handbook, it resides with the AD/OMM under the general redelegation effected in MMSM 210.1.6 A above.

Chapter 1 Offshore Leasing and Operations

210.1.7

7. Limitations. Certain authorities are retained at a higher approval level within the Department of the Interior as illustrated in Chapter 1 and 2..

8. Procedures. A redelegation is not effective until it is signed by the Director. It will be published in the delegation series of the MMS directives system.

A. Any changes or additions to the redelegations in this chapter or the redelegations contained in the Offshore Program Delegations Handbook (MMSM 210.1-H) may be requested by:

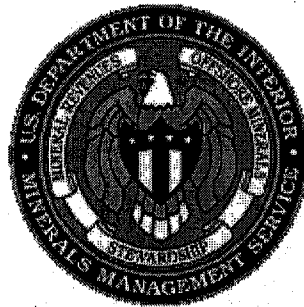

(1) Submitting a memorandum to the AD/OMM. The memorandum must contain authority to be redelegated, citation, level of approval requested, and justification for the redelegation; and

(2) Providing a copy of the memorandum to the Directives Officer, Information Resource Management, and Office of the Associate Director for Administration and Budget.

B. A revision to this chapter or the handbook will be prepared by the Rules Processing Team, Office of Offshore Minerals Management, and will be processed according to the MMS directives review and approval procedures.

HANDBOOK
OFFSHORE PROGRAM DELEGATIONS
(MMSM 210.1-H)

FOREWORD

This Minerals Management Service (MMS) Handbook contains the delegations of authorities for managing and administering the Offshore Program.

With the approval of this handbook, specific Offshore Program authorities are redelegated in Chapter 3. For reference purposes only, authorities retained by the Associate Director for Offshore Minerals Management or at a higher approval level are also included in this handbook. (See Chapters 1 and 2.)

Changes or additions to this handbook should be submitted by memorandum to the Associate Director for Offshore Minerals Management with a copy to the Associate Director for Administration and Budget. (See MMSM 210.1.8, Procedures.) A change or an additional redelegation is not effective until it is published in the delegation series of the MMS directives system.

Questions regarding this handbook or the basic manual (MMSM210.1) may be directed to the Offshore Directives Liaison Officer.

CHAPTER 1. THIS CHAPTER IS INCLUDED IN THIS HANDBOOK TO SERVE AS A
REFERENCE

1. General: This chapter is included in this handbook to serve as a reference.
2. Limitations: Appendix 1 of this chapter identifies those Offshore Program authorities retained at the departmental or Director, MMS, level.
3. Redelegation: The Director, MMS, was delegated the Secretary's authority for managing and administering the offshore leasing and operations program in 218 DM2. However, the Secretary and Assistant Secretary for Land and Minerals Management have chosen to retain certain authorities. (See Appendix 1 of this chapter.)

2.5	Approve alternative methods to demonstrate Oil Spill Financial Responsibility.	30 CFR 253.32	AD/OMM
2.6	Prepare and approve environmental assessments for leasing-related actions.	516 DM 6.4	AD/OMM
2.7	Reduce or eliminate royalties or net profit shares for OCS leases.	30 CFR 203.1	AD/OMM
2.8	Disqualify operators for unacceptable operating performance.	30 CFR 250.135	AD/OMM
2.9	Issue Calls for Information and Nominations and Notices of Intent to prepare an Environmental Impact Statement for leasing-related actions.	30 CFR 256.23	AD/OMM

CHAPTER 3. AUTHORITIES REDELEGATED BY THE ASSOCIATE DIRECTOR FOR
OFFSHORE MINERALS MANAGEMENT

1. Delegations of Authority: The authorities in Appendix 1 of this chapter are redelegated by the Associate Director for Offshore Minerals Management.
2. Redelegation: These authorities may be further redelegated. (See MMSM 210.1 for procedures to request revisions to this chapter.)
3. Exception: In the Alaska Region, the Regional Supervisor, Field Operations, holds those district office authorities listed in Appendix 1 of this chapter.
4. Exception: In the Pacific Region, the Office of Resource Evaluation (RE) was renamed to the Office of Production, Development and Resource Evaluation (PDRE). Therefore, any references to RE would be the same as PDRE.

**AUTHORITIES REDELEGATED BY THE ASSOCIATE DIRECTOR
FOR OFFSHORE MINERALS MANAGEMENT**

Item No.	Authority	Citation(s)	Approval Level
3.1	Issue regional Notices to Lessees and Operators.	30 CFR 250.103	All RS's (GOM, PAC) with EOD RPT concurrence; RS/FO (AK) with EOD RPT concurrence.
3.2	Approve welding plans.	30 CFR 250.109(a)	District Supervisor
3.3	Make determinations of well producibility.	30 CFR 250.115 250.116	Chief, OGTAU (GOM), District Supervisor (AK, PAC)
3.4	Approve applications for injection or subsurface storage of gas.	30 CFR 250.118 250.119	RS/PDRE (PAC), RS/PD (GOM), RS/FO (AK)
3.5	Inspect lessee- or permittee-conducted operations and other activities to ensure compliance with controlling laws, lease provisions, and other requirements	30 CFR 250.130 282.27 282.28	District Supervisor
3.6	Authorize cost reimbursements to lessees for providing food, quarters, and transportation for MMS personnel and fuel stops for helicopters.	30 CFR 250.133 282.27	RS/FO
3.7	Issues Notices of Incidents of Noncompliance (INCs): a. In drilling and production operations and for pipelines and production measurement facilities. b. With approved applications and plans, lease stipulations, bonding, etc. (Office INCs).	30 CFR 250.136 250 - 256 260 - 280 281 & 282	a. Inspector b. Authorized MMS Official
3.8	Give oral approvals.	30 CFR 250.140 282.12(f)	Authorized MMS Official
3.9	Approve requests for alternate procedures or equipment.	30 CFR 250.141	RS/FO or District Supervisor
3.10	Approve requests for departures from operating requirements of the regulations.	30 CFR 250.142	RS/FO or District Supervisor
3.11	Approve delegations of operator.	30 CFR 250.143(a) 282.20(c)	RS/FO with RS/EE concurrence (PAC), Chief LAS/LE (GOM), RS/FO (AK)
3.12	Approve applications for right of use and easement.	30 CFR 250.160 282.11(c)	RS/FO
3.13	Approve requests for, or direct, suspensions of operations or production.	30 CFR 250.168-177 282.13	RS/PDRE (PAC), RS/PD (GOM), RS/FO (AK)
3.14	Terminate suspensions approved or directed by the Regional Supervisor.	30 CFR 250.170(e)	RS/PDRE or RS/FO (PAC), RS/PD (GOM), RS/FO (AK)
3.15	In cases where continued operations are an immediate threat to human life or the environment, suspend or temporarily prohibit production or other operations.	30 CFR 250.172(b) 282.13	Inspectors with RS/FO concurrence (PAC, GOM) or RS/PD (AK, GOM)
